GENERAL INFORMATION

1. **Directory Form** – This form will be set by MHSAA. It must be **completed** and **returned** to MHSAA by **September 15**. Choral directors must be registered before they can participate in any MHSAA activities. This information is also used to compile a choral director’s address and phone directory that is sent to all choral directors in the state.

2. **Insurance** – The students registered with MHSAA on the eligibility list are automatically covered with catastrophic insurance for activities sponsored or sanctioned by MHSAA such as District Festival, State Festival, Honor Choirs, and out-of-state trips.

3. **Bordering States** – If you take students to a choral event in a bordering state, you must submit the appropriate form to MHSAA (found in this section and the forms section) in order for the catastrophic insurance to apply.

4. **Other Trips** – If you take students to a choral event outside of the bordering states boundary, you must write MHSAA for permission to guarantee insurance.

5. **Conflicting Schedules** – Be sure you keep up with your school’s calendar to avoid major conflicts. MHSAA sets our state adjudication date more than one year in advance.

**General Eligibility Rules**

1. **To be eligible to participate in interschool activities, a contestant must:**

   a. Be a bona fide student, having enrolled not later than the 15th day of any semester of participation, carry the required number of subjects for graduation by their local district and deport himself satisfactorily.

   b. Upon the completion of grade eight, choose the high school he/she wishes to attend in a city or district where there are two or more high schools or schools of secondary grade. When a student has chosen a high school and enrolled in and attended that school for one day or longer, the school of his choice shall become his home school. In a junior high school situation, the choice of grade nine in a given junior high school means the choice of the senior high school, which is designated by the appropriate school board as the senior high school for the graduates of that particular junior high school. Any pupil who enters grade 9 in a member public junior high school or grade 10 or above in a member public high school and then transfers to a member private or parochial high school shall be ineligible for a period of one year. The same is true where a pupil enters grade 9 in a member parochial or private junior high school or grade 10 or above in a member parochial or private high school and then transfers to a member public high school. Upon transfer from the first member high school chosen to the second member school, he will be ineligible for competition in either athletic and literary contests or meets until he has been in the second school for one year from the date he enrolls in the second school.
c. In the case of a transfer student, the school shall secure a transcript of the school work completed by the student and a transfer form signed by the principal of the school from whence he comes. The transfer form for out-of-state transfers shall give the date the student entered the ninth grade and whether he passed his work during the preceding year. If any school should refuse or delay unnecessarily in sending the transcript or the transfer form, when requested by the receiving school to do so, the Executive Director may, upon the presentation of satisfactory proof, authorize the school to use the student in athletic contests prior to the receipt of the transcript and the transfer form. A transfer student is one whose parents or guardian has moved from one school district to another and established a bona fide residence therein for some other purpose than conferring athletic or interscholastic eligibility on the student. Any transfer student must be in good standing from the school he/she is leaving in order to receive eligibility at his/her new school. This includes MHSAA member schools, as well as non-member schools and students transferring from out of state. Any student who transfers during a sport season, even after making a bona fide move, must be approved for participation in the same sport season.

d. Foreign Student Eligibility - a bona fide foreign exchange student may be immediately eligible the first year in residence in the school district in which the host family is a bona fide resident and be limited to one year of eligibility provided the student is a participant in an established foreign exchange program accepted for listing by the Council of Standards for International Education Travel (CSIET), and there is no evidence of athletic recruitment resulting in the student’s attendance at the school either by the school or any other outside entities. The foreign exchange student shall meet all other eligibility requirements of the MHSAA Handbook. Any student that has established eligibility at a Mississippi school and participates in a Foreign Exchange Program sponsored by a CSIET approved program will be eligible for participation immediately upon his/her return to the same Mississippi school. The student shall meet all other requirements for eligibility as listed in the MHSAA Handbook.

e. Eligibility Reporting – The report submitted to the State Office becomes a permanent record. Care should be utilized to have the eligibility complete and correct as an error on the original filing can cause difficulty one to three years later. The school should report each student only once during a school year. Eligibility is by semesters and not by sports. At the beginning of each school year, student eligibility should be updated 15 days prior to the first game or contest. Schools that are late in filing eligibility will be fined $50.00. Players participating in athletics or activities may be added to or changed after the beginning of the season, provided the pupils are not allowed to participate in a game or contest until properly reported. The list of players participating in athletics or activities may be added to or changed after the beginning of the season, provided a pupil is not allowed to participate in a game or contest until properly reported. Each school shall keep a file copy of the eligibility sheets.

2. Academic rules for students participating in activities:

To be eligible for athletics and activities, students must pass the number of courses required by their local district in order to stay on graduation track. The units will be averaged as a whole, either numerically or by GPA, and must be 2.0 or better each semester in order to maintain eligibility.

A student athlete may become eligible for the second semester only once during his/her middle/junior high school career if he/she fails the year-end average the previous year, by passing the required number of units with a 2.0. This will be done in order to keep the student on track for graduation.
NOTE: Detailed information on eligibility can be found on the MHSAA website, www.misshsaa.com, home page under —Eligibility.

**Special education students** will be academically eligible if they are making satisfactory progress according to the committees reviewing their Individual Education Plans (IEP).

**Out of School One or More Semesters:** If a pupil who is eligible for a given semester drops out of school for one or more semesters, he/she is then ineligible until he/she passes the required number of courses with an overall average of 2.0 during a semester. A pupil who is eligible for a given semester cannot drop out of school during the semester or remain out of school for one or more semesters and then be eligible for the next semester he attends.

**SEVENTH, EIGHTH AND ENTERING NINTH GRADE PARTICIPATION:** Pupils in the seventh grade, eighth grade, and entering the ninth grade participating in high school extra-curricular activities must have a 2.0 overall average (computed numerically or by GPA) for the four core courses (English, math, science and social studies) from the preceding semester. The year-end average for the spring semester will be used to compute averages for the fall semester. Students must be on track to be promoted to be eligible.

If a student meets promotional requirements at the end of the school year but is retained in the same grade, the student is ineligible for one (1) year. This is commonly referred to as redshirting. If the student participates after being declared ineligible, the school will be placed on athletic probation by the MHSAA. Also, the school could lose accreditation by the State Department of Education.

**SUMMER SCHOOL CREDITS:** An accredited summer school shall be considered as an extension of the second semester of the school session, and credits earned in such a school may be considered in determining the scholastic eligibility of students. The completion of a full unit, major subject, during a summer school shall be classed as passing one major subject for one unit of credit and not as passing two major subjects for one half unit each. Accredited correspondence courses may be accepted for establishing athletic eligibility provided the course has been completed and recorded by the opening of school.

*Exceptions to Rule (1) may be made by the Executive Director in the following cases:*

1. Students that have been tested, screened, and placed in a TMR or EMR Special Education program.

2. Students that have been tested, screened, and placed in accordance with their IEP in a Special Education Program approved by the State Department of Education will be ruled eligible with the following requirements:
   a. Make satisfactory progress in their course work.
   b. Maintain attendance according to district policy.
   c. Be assigned a date of entering the ninth grade corresponding to other students of that age.
d. Be subject to all other rules and regulations of the MHSAA.

General Eligibility Rules, Junior High/Middle Schools

To be eligible to participate in interschool Junior High/Middle activities, a contestant must:

a. Be a bona fide student having enrolled not later than the fifteenth day of any semester of participation, carry four basic courses* and deport himself satisfactorily.

b. A pupil must attend school in the school district of which his parents are actual bona fide residents.

c. A student must pass their grade level by achieving at least an average of 2.0 in four basic courses* the previous semester (computed numerically or by GPA). The year-end average for the spring semester will be used to compute averages for the fall semester.

d. To be eligible for participation as a seventh grader a student must be promoted with an average of 2.0 from sixth to seventh grade and for participation as an eighth grader a student must be promoted from seventh to eighth grade with a 2.0 average.

e. A pupil who is not eligible at the beginning of the school year may become eligible the second semester only once during the student’s junior high school career by passing four basic courses with an overall average of 2.0.

f. The instructional program of the district is based on an instructional management plan/system that defines core objectives, standards of mastery, and criteria for the academic promotion/progression of students from one grade level to the next. The criteria prohibit the retention of students for extracurricular purposes.

g. Have on file with the Executive Director at least 15 days prior to the first game or contest the eligibility list giving all information on the form required by the Director.

h. Age: Seventh grader must not have reached 14 years of age prior to August 1.

Eighth grader must not have reached 15 years of age prior to August 1.

Ninth grader must not have reached 16 years of age prior to August 1.

i. Sixth grade students are no longer eligible to participate in MHSAA sponsored events; however they are eligible for participation in MMEA events, such as the Choral Art Festival, Solo & Ensemble, and All-State Honor Choir. In such cases, catastrophic insurance through MHSAA is unavailable. An entire choral program may be put on probation if caught using ineligible students. Do not risk probation for your group. Take the time to know and follow the rules.

* Basic courses - Any subject that meets the equivalent of at least 250 minutes per week or meets the State Department requirement.
To be eligible only for middle/junior high activities, a student must have passed any four courses (that meet the equivalent of 250 minutes per week and meet MDE requirements) with a 2.0 average for the preceding semester (computed numerically or by GPA.) The year-end average for the spring semester will be used to compute averages for the fall semester. Students must be on track to be promoted to be eligible.

To be eligible for high school activities, the middle/junior high school students must have a 2.0 overall average (computed numerically or by GPA) for the four core courses (English, math, science, and social studies) from the preceding semester. The year-end average for the spring semester will be used to compute averages for the fall semester. Students must be on track to be promoted to be eligible.

Summer school, or extended school year grades will replace the grade for a failed course in the spring semester GPA.

The following information regards tuition students:

A student who has spent one school year in a school other than his/her home school (bona fide residence of parents) without participating in interscholastic sports/activities and has been released by the home school is considered to be eligible. Eligibility can be established only during the year immediately preceding participation. All students who do not live with their parents for any reason are considered under this rule.

Once a student sits out a year, that school will become their home school. A student is not eligible to return to their former school and become eligible unless they sit out a year or establish a bona fide residence move.

DISTRICT AND STATE FESTIVALS
ADJUDICATION

1. GENERAL FACTS – Everything in this section applies to both District and State Festivals unless stated otherwise.
   a. Adjudication festivals are sponsored at the District and State levels. A group must earn a superior rating in performance and/or sight-reading at the District level before advancing to the State level.
   b. Each group will perform two selections.
   c. A director does not have to be a member of MMEA to participate in District or State Festival. His/her school, however, must be a member of MHSAA, and the director himself/herself must be registered with MHSAA.
   d. All groups perform from memory.
   e. Trophies are awarded to superior rated choirs, ensembles, and sight-reading.
   f. Boys with unchanged voices may sing in a treble choir or ensemble.
   g. Boys with changing voices may sing a note or short phrase up an octave to accommodate their range, within reason. Please indicate this on your score.
   h. Time allotted for performance includes entering and exiting the performance area.
   i. At festivals, choirs have a designated warm-up room, ensembles do not.
   j. Ensemble absences: If an emergency or illness keeps an ensemble member from performing with its group at State Festival, the director has three choices:
      i. Let the group perform without its usual number for either a rating or comments only.
      ii. Substitute the absent student with another student.
      iii. Scratch the group from the schedule.
   k. If your group earns a superior rating at District Festival, you will receive a State Festival pre-registration form that day from your District Chairman. Send the form and check (purchase order numbers will be sufficient) to the State Chairman by the deadline. **There will be a $25 late fee if the registration form and fee is not received by the deadline.**
   l. Directors must provide adequate chaperones to help supervise students.
   m. Groups who arrive at the festival late will be rescheduled after the last choir in the morning or the last choir in the afternoon. Any other situation will be determined by the chairman.
   n. State Festival fees are $4.00 per student per event with a maximum of $400 per type of group and no maximum per school. State Festival fees for ensembles are $4 per person per event, with a minimum of $50 per ensemble. Any choir with fewer than twenty-one members will be charged as an ensemble. District Festival fees vary and are established by each district.
   o. Duplication of students in choirs in the same voice category is not allowed. Duplication of students in ensembles in the same voice category is not allowed. For example, a singer may sing in only one Mixed Choir and only one Mixed Ensemble.
   p. Choirs are considered to have twenty-one members or more. Ensembles have twenty members or less. Ensembles may be conducted.
   q. A school may not enter more than one category with the same literature.
   r. A school may not sing any same song in two consecutive years.
   s. Recorded accompaniments are not allowed.
   t. Special scheduling requests should be made on the registration form. Traveling distances will be considered for scheduling.
u. Fifth grade students are not eligible to participate in District and State Festivals due to lack of insurance by MHSAA.

v. Sixth grade students may no longer participate in MHSAA sponsored events. However, they are eligible to participate in MMEA events such as: Choral Art Festival, Solo & Ensemble, and All-State Honor Choir. In such cases, catastrophic insurance coverage by MHSAA is unavailable. This is to be noted as a school field trip.

w. Photocopied music is not permitted unless it is accompanied by a current letter from the publisher or copyright holder granting permission to copy and stating that the appropriate fees, if any, have been paid.

x. A group must perform the same music at both the District and State Festivals.

y. There are no prescribed lists for festival; however, pop and patriotic music should be avoided. For helpful lists of graded literature, see the Florida Vocal Association’s prescribed lists at www.fva.net/mpa/music-list/ or the University Interscholastic League (Texas) at www.utexas.edu/UIL/pml/browse.

z. Director must provide 3 original copies of the repertoire with all measures numbered.

2. **VOICE CATEGORIES**
   a. Choirs must sing two selections
      i. Boy Choir (unison, TB, TTB, TBB, TTBB)
      ii. Treble Choir (unison, SA, SSA, SSAA)
      iii. Mixed Choir (unison, SB(T), SAB, SATB)
   b. Ensembles must sing two selections
      i. Boy Ensemble (unison, TB, TTB, TBB, TTBB)
      ii. Treble Ensemble (unison, SA, SSA, SSAA)
      iii. Mixed Ensemble (unison, SB(T), SAB, SATB)

3. **FEES AND FORMS**
   a. Read each registration form carefully for the following information:
      i. Cost per student per performance (Remember, District Festival fees vary from district to district. State Festival fees are $4.00 per student per event with a $400 maximum per type of group and no maximum per school.)
      ii. Who to make the check payable to
      iii. Registration is due date (There will be a $25 late fee if the registration form and fee is not received by the deadline)
      iv. Where to send the fees and forms

4. **SWEEPSTAKES**
   a. Sweepstakes is defined as superior ratings from all three judges and sight-reading at District and State Festival. Sight-reading must be the voicing sung on stage or one voicing down in order to be eligible for sweepstakes.
1. **General Information**
   a. All students who enter an adjudication category at District Festival must sight read at that same festival. Some directors will combine all singers into one choir to sight read, however directors may choose to divide students by choirs provided there is adequate time in the schedule. If a school enters only ensembles, then those ensembles will sight-read together.
   b. **All students who participate in District and State Festival will sight read.**
   c. The sight-reading example will be eight measures long and written in unison, two-part, three-part or four-part harmony. The director may choose the level to be read. It includes both melodic and rhythmic exercises. The two-part arrangement will accommodate SA, TB and SB reading and the four-part will accommodate SATB reading.
   d. Numbers, words, solfege or neutral syllables may be used when sight-reading.
   e. The same sight-reading selection will be used statewide.
   f. There is only one sight reading judge, not three as in concert adjudication.
   g. A suggestion is to begin teaching sight-reading the first day of school.

2. **Procedure for Sight Reading Adjudication**
   a. The choir enters the room quietly and the director arranges students with the least amount of confusion possible.
   b. The director will specify the voicing and the judge will pass out the appropriate selection. Each student should receive a copy along with the director and accompanist.
   c. Each school must provide its own accompanist.
   d. Teacher may change key of sight-reading material as appropriate.
   e. The group has **eight minutes** to study the music including a run through with the accompaniment. The director may use any or all of the eight minutes.
   f. During the eight minutes of time you may:
      i. Receive the keynote from the piano and have the choir sing the scale and I-IV-V7-I cadence in blocked chords or arpeggios without accompaniment.
      ii. Point out key and time signatures, difficult rhythms, difficult intervals or any other markings in the music.
      iii. The choir may speak, clap or tap rhythms.
      iv. The choir may say the syllables, solfege, or numbers in rhythm.
      v. The choir may work in groups on each part.
      vi. The choir may ask and answer questions.
   g. No one in the room may sing or hum the sight-reading material during this time until the director is ready for the students to sight-read.
   h. At the end of the eight minutes, the director is prohibited from giving any further verbal instructions during the sight-reading performance. Violations will result in the lowering of the score.
   i. Starting pitches are given and the students will sight read the selection with the piano on solfege, numbers, or whatever other method they use without stopping.
   j. Teacher may keep a steady beat while students sing and may accompany the choir on their first run-through of the melodic passage.
   k. The piece is to be sung a second time, a-cappella, without stopping.
I. If it is necessary for the director or judge to stop the choir during the singing of the piece, pitches may be obtained and singing will resume from that point. This will result in the lowering of the score.

m. The judge collects all copies of the music and dismisses the students. No music is to leave the room and the students are to leave quietly.

Mississippi Choral Sight-Reading Guidelines

A tiered sight-reading program is to be employed for each voicing. Each sight-reading exercise will include three portions:

1. An eight-measure melodic passage that will count for 60% of the score.
2. An eight-measure rhythm passage that will count for 30% of the score.
3. The final 10% will be on work ethic.

HONOR CHOIR
MMEA/ACDA CONVENTION
JUNIOR HIGH ALL-STATE HONOR CHOIR

1. GENERAL INFORMATION

a. An enriching SATB/SSA choral experience for outstanding middle and junior high school vocal students, statewide, organized and governed by the President-elect of our organization and SSA Chairperson.
b. An annual event at which rehearsals and concerts take place in conjunction with the State MMEA/ACDA Convention held during the spring semester.
c. Approximately 200 students are chosen by audition to work with nationally recognized conductors
d. Directors must be active members of NAfME in order to audition students for this honor choir.
e. Directors should audition their most outstanding and best-prepared singers. Please do not audition students “just for the experience.”
f. The number of students each director is allowed to audition is based on a percentage of each voice part – 20% of your sopranos, 20% of your altos, 35% of your tenors, and 50% of your basses.

2. SPECIFIC INFORMATION

a. Detailed information concerning fees, audition sites, music, etc. is given at the fall business meeting. The forms are included in this section. The audition fee of $10 must be paid by the posted deadline.
b. Auditions are held in January. See the Jr. High Division Calendar.
c. 9th graders are allowed to audition provided they are not auditioning for the high school honor choir.

3. AUDITIONS AND SELECTION PROCESS

a. Students must learn the same four pieces statewide. These are chosen by the conductor.
b. Each student will audition in octets on their part singing only the sections announced ten days in advance by the Honor Choir chairman. These selections will be posted on www.msmea.org. Each student needs to be prepared to sing alone on his/her part or in quartets. NO PHOTOCOPIED MUSIC ALLOWED!
c. For a-cappella pieces, the voice parts will be played.
d. Students will audition live. No recordings will be accepted.
e. Please bring two copies of the Honor Choir Audition List Form. Those auditioning should be categorized by voice part. They will be assigned a number at the audition site. This number will appear on their score sheet.
f. One adjudicator per voice part will hear each student and will mark the scoring sheet. If you would like your score sheets returned to you, you will need to bring a self-addressed and stamped 9x12 envelope at the audition site. The honor choir chair will mail your students’ score sheets to you.
g. During the Honor Choir weekend, some students will be chosen to receive Mississippi Choral Camp scholarships. The application is found in this section. A great deal of emphasis is given to this application, so please assist your students in completing it. The conductor and honor choir chairperson will observe the students during rehearsal and choose the recipients of the scholarships.
h. With the addition and retention of the SSA choir, female students (who earn a spot in the honor choir) will be divided evenly between the SATB and SSA honor choirs.
   i. There is a mandatory fee of $10 per student to audition.

4. HONOR CHOIR WEEKEND

   1. Students must be at all rehearsals and must be on time. Follow your schedule very carefully and always listen to directions in case there is a change.
   2. Students must show proper behavior, posture, and attention. If not, their director will be notified. They will not be allowed to participate in the Honor Choir and no refund will be given.
   3. Honor Choir participation fee is $75.00 per student. Please send one check per school.

For the 2019-2020 school year, please send payment to:

CHORAL ART FESTIVAL
CHORAL ART FESTIVAL

MMEA offers a Choral Arts Festival. The purpose of the Choral Art Festival is to provide a positive, non-competitive choral experience for the beginning choral programs or established choral programs that are rebuilding. More information will be mailed to all schools.

The first priority of each choral program should be the choir. We will encourage all schools to enter choirs as their first priority followed next by ensembles. Both types of groups will be able to perform at this festival. All singers must be eligible and registered with MHSAA. 6th grade students may also participate.

Music for the Choral Art Festival must be of good quality. Each group will perform two selections of contrasting styles. Two or three qualified choral music specialists will critique singers in writing. You may either perform for ratings or for comments.

Once the singers have completed their performance, one or more of the music specialists will work with your group in an on stage clinic.

Please take the time to take advantage of this wonderful opportunity. You will be surprised at what it can do to help your program grow.
